

### **1. Confirmation:**

You guys are officially registered for the free live masterclass this Sunday at 7PM EST.

I'll be dropping the link and pinning it to the description closer to the time.

It's worth blocking off about ninety minutes in your calendar too.

You can grab The Product Vault in the description as well.

## **2. Lead Magnet:**

Your free gift is ready by the way guys.

The Product Vault is pinned in the description right now.

### **3. Unique Mechanism:**

I want you guys to know the best approach to hitting \$10,000 per month with Amazon FBA.

Being old school defeats the whole purpose of becoming an entrepreneur.

Playing it smart is about leveraging the most efficient and effective tactics that are available to you.

I'll be teaching absolutely everything around this inside of the free live masterclass.

#### **4. Narrative:**

Let me give you guys some context about myself.

It all started with wanting freedom right now as opposed to retirement.

My plan to become an athlete got crushed by a career-ending injury.

One of my coworkers introduced me to the business model of Amazon FBA.

I've gone on to do nearly six figures per month with it thanks to him.

I'm now teaching others how to do the same and building a software for it.

This free live masterclass is going to be an absolute banger.

## **5. Future Pacing:**

I want you to imagine something for a second.

You wake up early in the morning and open up your laptop to check how everything's doing.

You stare at a dashboard that's sitting on yet another ten thousand dollar month.

You spend a few hours locked in on getting to the next level and take the rest of the day for yourself.

This is literally the life that online arbitrage has created for me.

The only difference between you and I is the approach that we took to hitting \$10,000 per month with the business model of Amazon FBA.

I'm putting you onto this inside of the free live masterclass.

## **6. Sneak Peek:**

You guys keep asking me what the free live masterclass is all about.

Let me give you a sneak peek into the three pillars that I'll be going through.

The first is how to select winners consistently and predictably.

The second is how to source at the strongest rates possible.

The third is how to fulfill entirely hands-free.

There's going to be a Q&A too for the ones that stick around until the end.

## **7. Objection Handling:**

I hope you guys are fine with me reading your minds real quick.

Is ninety minutes really enough to learn it all? I've cut it down to only what actually moves the needle.

Isn't this all available on YouTube anyway? The whole point is to hand you the full picture rather than scattered pieces of it.

Will it turn into one long sales pitch? I'm teaching it all whether you work with me or not.

What if I can't make it live? Being there in person really helps you get the most out of it.

I'll get into everything else inside the free live masterclass.

## **8. Addressing:**

You guys have been asking me why the free live masterclass is free of charge.

It's a common misconception that I have to choose between doing it myself or helping others, even though I can in fact do it myself and teach others.

I'm a player and a coach at the end of the day.

I also get to learn from everybody who gets results afterwards.

This is pretty much what's in it for me.

### **9. Reminder / Recap:**

Today is the day people.

I'll be going live at 7:00 PM EST and walking through the three pillars then doing a Q&A towards the end.

It's so clear and concise that you should be set after only an hour and a half.

Just make sure that you join from your laptop in a quiet room if you want to get the most bang for your buck.

I'm going to pin the link in the description and send it through a little later.

## **10. Reminder / Conviction Building:**

The free live masterclass is going to be rolling within the next hour.

Someone in the exact same spot as you is about to get all the sauce without any of the downsides.

They won't be better than you are or have more potential than you do.

This person simply decided to show up for it.

You don't want to be one of those people who register but don't attend.

The link is pinned in the description but you can also get it here: [LINK]

**11. Reminder:**

I'm on the air as we speak.

The room's filling up quite a bit and I'm about to get into the first pillar.

Here's the link for it or check what's pinned in the description: [LINK]

**12. Reminder:**

You guys have still got time to hop inside the free live masterclass.

The real value is about to start though.
